Grammarian Script

"Good Evening Mr./Madam Toastmaster, fellow Toastmasters, and welcomed guests.

As the Grammarian for today's meeting, my role is to pay close attention to the use of language throughout the session. I will be listening carefully to each speaker's use of English — noting both excellent examples of grammar, vocabulary, and word usage, as well as any incorrect or ineffective language.

I will also be introducing the Word of the Day, which is:

Word of the day
Example usage

I encourage all speakers, including role players and guests, to use this word during the meeting. Each time it's used correctly I want all of you to give one clap and acknowledge the usage of the word of the day and I will make a note of it and acknowledge you in my report as well.

At the end of the meeting, I will present my report, highlighting the effective use of language, the number of times the Word of the Day was used, and any areas where improvement is needed.

Thank you, Mr./Madam Toastmaster."
